From the President . . .

Greetings!

Well here we are, almost November. The leaves have changed color and are falling to the ground. Winter isn't far behind. It's almost time to put those cars up for hibernation. I know I talked about the storage process last month, but just a couple of reminders. Make sure to clean your car before you cover it, and put in some dry gas or stabilizer in the gas tank. Cover the garage floor, under your Corvette, with plastic to keep moisture away from the frame and other metal parts. There are also packets you can buy to put in the interior to keep things dry inside. That's just a few things you can do to store your Corvette for the winter.

Don't forget Bingo on November 13 at the Tamarack Apartments. We need people to bring prizes for the folks there. Look for things that elderly folks might like. You can pick stuff up at the dollar store or the clearance aisle at Meijer. (Just putting in a plug for my former employer.) Wrapping paper was a hot item last fall. And don't forget to bring deserts to serve after Bingo.

We had a great time on the fall color tour in October. The weather was perfect. We had some great winding roads to drive on to see all the great colors of the season. I think we had about 27 cars on the tour and only a few got lost, but they caught up and we had lunch together. We also had stops at two parks where we got a chance to get out and stretch a bit before driving on. Many thanks to the Armstrong's for planning such a fun event. They made many trips scouting out the perfect roads and scenery for us.

A lot of competition events took place in October too. Several members ran rallyes around the state. I hope they had a good time. Unfortunately, we had to miss them because of other activities going on. We did make it to Grattan Raceway, along with several other CCCC members, to watch the high and low speed events and participate in the car show. Several members raced their Corvettes. Sharon Schwamberger won a special award for fastest time of day in her class. Everyone that was there had the opportunity to take their car out on the track for parade laps. That is some course! It has lots of curves and hills. Just before we left a 2005 Z06 test mule showed up and we watched it zip around the track a few times. Everyone that was still there swarmed over to observe.

I want to remind everyone that at the November 3 general membership meeting we will be taking nominations for 2005 board positions. If you are interested in any of the positions please step forward to get nominated. We would like to have a real election at the December meeting. To have a successful club we always need new ideas and new people on our board.

Speaking of elections, November 2 is the day that we, as Americans, choose our leaders. Don't forget to get out and vote. It's the kind of thing if don't use it you loose it. Don't let that happen to us. To stay free we have to use our freedoms.

Save the wave!!!

Meet Kathy & Gary Wyma

Kathy & Gary reside in Grand Ledge and have been CCCC members for over a year. They met at Spring Arbor University, both earning their BA's. Gary attended the University of Michigan for a Master's in Secondary Education, and Seminary for a Masters of Christian Ministries. Kath and "Chappy" have three children and eight grand kiddies, which keeps the "Red Hat NaNa" quite busy. They attend the Delta Trinity United Methodist Church. Kathy is an Executive Secretary with the Telamon Corporation, which serves migrant children with the Head Start Program. Gary is Senior Chaplain at Ionia Maximum Prison, a rough environment for such a nice guy! Kathy developed and marketed a business about 20 years ago, teaching classes and presenting seminars in Women's Safety and Self Defense. She continues to provide these seminars to a wide variety of groups across the state. Gary recently retired as a referee of 37 years, having officiated high school, college, and semi-pro football. With no more officiating, means plenty of more time to spend with the CCCC!

Now for the Corvette Story:

Gary had a '57 Vette in '62, for about five weeks, at which time his mother made him get rid of the car and return to college. (She thought it was 'too dangerous' and Gary enjoyed the SPEED!)

With joining the CCCC, Kath and Gary turned a new leaf from years back. Gary was in the SCCA owning a '62 MGB and a '65 Spitfire, both set up for road racing. Gary "wasted much money" while involved with stock car racing in the Sportsman V-6 series at many of the Michigan short track raceways (not as a driver, but as a crew member).

After owning an '84 Coupe, they now have a Teal 1990 Convertible. Looking to the future, on Chappy's 'wish list' are his and her convertibles; Kath driving the teal Vette and Chappy driving a yellow 2004!!!!

Kathy and Chappy have found new enjoyment with the CCCC. Great cars, great fun, and really great people!! Now, if only someone would clue Gary in as to who has been 'stealing' his U of M chairs.....

I want to thank Don & Carol Armstrong for planning a wonderful Color Tour. Everyone enjoyed one of the last nice days out in their Vette's. Great way to end the season.

November 13th will be Bingo at Tamarack Apts. in Holt. Again, this is a great party time for the residents and just as rewarding to work. Start collecting prizes for the Bingo and the details are on the flyer in this issue.

December 1st is our fun Christmas Dinner/Meeting night. This year it will be at the Williamston Roadhouse, just off I-96. We will be having a Dirty Santa Exchange, which means you bring a white elephant gift to exchange. You can either take a unopened gift or steal someone else's. Just a fun night with everyone. Looking forward to seeing who is going to get those umbrella hats!

January 15th is the Annual Banquet Night. This is where we bring in the new Board and give the top ten members recognition for the work and participation throughout this year. Dinner will be this year at Coral Gables in East Lansing. Cost will be \$20.00 per person, which will include a full dinner with dessert. I will have details at the membership meeting in November.

If I don't see you at the November meeting,
have a wonderful Thanksgiving!
