From the President . . .

Happy Spring everyone. At least I think it is because, as I'm writing this letter, it's snowing outside. Well one good thing about the snow, it's easier to do donuts with the old Vette. That's if we really want to get them out in this weather. Oh, wait a minute – some already did that at the Vermontville Parade. I went to the Drive and Dine in beautiful downtown Hastings but skipped the parade. A big THANK YOU goes to Dave and Diana Kuempel for organizing everything for us. Good job! I hope everyone had fun.

Well, here we are, the month of May already. This is another busy month for us as it's the beginning of car show season. We have a workshop after the meeting this month to show how to prepare your Corvette for a show. I encourage everyone to attend at least one show this season, especially if you're new to this Corvette thing. It can be a real learning experience, and you will make valuable contacts with others for restoration. This month we have the Flint show, Charlton Park, and our own show, the Blessing of the Vettes. There are many racing and social events too, so check out the event flyers in the newsletter and on the Web site to see which ones interest you.

As you may know, our club is growing again. We now number 130 members. Our newest members are Bob and Debi Loucks of Lansing (1989 dark red coupe); Barb Hall of Midland (1993 ruby red coupe); Pam Bohnett and Bob Nowlin of Laingsburg (1988 red coupe); and Ray and Pat Bailey of East Lansing (2001 red coupe). Ray and Pat are former members of CCCC so welcome back to you both! WOW!! The way we continue to grow reminds me as the season is starting, and we go to all these fun events, let's wear our name badges so we can get to know each other by name.

Joe Thomas spoke with our group about the prospect of having a National Corvette Museum Ambassador. This will really help our Club to be more aware of National Corvette events. I would like to thank John Bechtel for stepping forward to volunteer for this position. I'm sure John will do a good job keeping us connected. He and Sandy are already NCM members.

If Corvetting is really in your blood, you might want to consider becoming a lifetime member of NCCC. This is a one-time fee of \$335 and it pays for itself in about 13 years (33 years for an Associate Member). This membership goes with you if you move to another part of the state or country. We have some long time members that could probably kick themselves in the seat for not signing up years ago. I know I wish I had done it years before I did!

Ron Melaragni wanted to pass on information about a local fundraiser for the Children's Miracle Network. Sparrow, WILX, and Sam's Club put this on the first Saturday in May every year in the Sam's Club parking lot on Edgewood. Don't come expecting to win an award, come expecting to have a good time and help out a good cause. Gloria sent out an email to everyone about this event. Let me know if you didn't get it and I'll get the details to you.

Let's have a good month and enjoy one another's company. Make the most of the days given to you and use them for good. Happy motoring and *save the wave!*

Competition Report May 2005

Well as I look out the window and see 2+ inches of new snow fall I have to ask myself why we opted to stay in Michigan when I retired and not in Arizona which was the original plan? Could it be the Kids and Grand children? NO. I guess that it had to be all the great people in CCCC.

The Competition has started for 2005 with the first event of the year now officially completed. This was the first of the High Speed series events which was held at Gingerman Raceway outside of South Haven. The weather was spectacular, the track was fast and everyone had a great time. We had a good turnout with 45 cars on Friday, 33 on Sat and 25 on Sunday. A lot of new track records were set over the weekend.

May really kicks off the competition portion of the year with the following events:

- | | |
|-------------|--|
| May 14 | Flint NCCC Car Show |
| May 15 | Charlton Park NCCC Car Show |
| May 13 – 15 | Autobahn Country Club NCCC High Speed Series |
| May 22 | The Royals NCCC Car Show |
| May 28 | CCCC Blessing of the Vettes (NCCC) |
| May 30 | Marshal Parade |
| May 30 | Nelson Ledges NCCC High Speed Series. |

You can find flyers for all these events on our website.

With all the car shows coming up, it's time to get the show finish on the car so they are ready for the shows. Don't forget we will have an after meeting class on detailing hosted by Greg and Kahouna right after the membership meeting. Bring your questions for our experts.

Winner's Circle: Good sources tell me that Joe Thomas won the auto cross competition at the C5 Bash in Bowling Green. Congratulations Joe.

Social Events

Wow... have you looked at the calendar! We sure do have an array of events going on. So you won't be bored this summer.

We had a fun afternoon at the Bowling Challenge with the Jackson Club. Great time helping out at WKAR Auction. Makes me laugh (which that is not hard but...) thank you to Gloria and Simon for organizing that event.

Just some updates on coming events:

May 15 Pot Luck at Kuempel's (right after Charlton Park)
May 20-22 - Get Away Weekend - Frankfort
May 21 Drive & Dine - Jeff McQuade/Evelyn Arenson Hosting
May 30 Hog Roast at Carmickels (following Marshall Parade)
June Drive & Dine - Schwamberger Hosting

June looks a little slower. We have lots of different competition events going on. Any time you want to meet for a burger or ice cream, don't hesitate to e-mail everyone and say "Hey where going to be here at this time if anyone wants to meet up". I think everyone likes to jump into there car and go for any reason! Have fun while the sun shines.

Enjoy your spring start outings.

Janet

Meet Kurt and Sharon Schwamberger

Kurt and Sharon met each other while working together at Foremost Insurance in Grand Rapids in the mid 70s. They have been married for 24 years. They have 5 children, ages 37, 36, 35, 34, and 29; and 8 grandchildren ages 16 to 2. They also have two Yorkies (THE BOYS) Kirby and Wicket.

Both Kurt and Sharon are officially retired, but Sharon is starting a business for customized sewing and instruction called "Sew Classy," and Kurt has a consulting company.

Their hobbies include racing (both), golf (Kurt), trap and skeet shooting (both), antiquing, and fiber arts (Sharon). In addition to CCCC, they belong to Corvette Club of Michigan, Shelby American Club, and Shelby Club of Michigan American Quilting Society (Sharon).

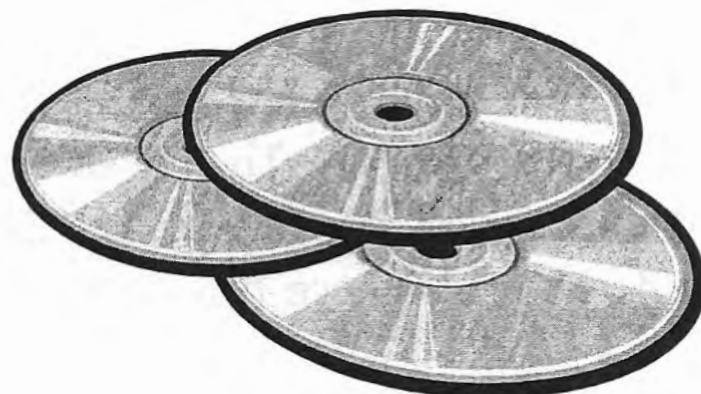

They own a 1998 white Corvette coupe, which is stock, that Sharon bought last year and Red 2001 Z06 purchased new in 2000, which has been modified by Mallett.

They heard about CCCC from the club website and joined in October of 2003. Currently Kurt is the Competition Director for the club.

"We joined CCCC because of the people and the fact that it was a club that was not single-purpose oriented. It was not purely a social club or a race club but one that encouraged its members to do what they wanted to do. So far we have not been disappointed, and the people have been great, which is a real bonus. We have had a great time so far and look forward to many more years of great experiences with great people," said Kurt.
