From the President . . .

Greetings! Happy summer to all. Isn't it great? The heat, the bugs, the yard work, going to work when you would rather be doing anything else. Just kidding. But summer is great, isn't it?

Gloria and I just got back from Bloomington Gold in St. Charles, IL. What a great show. Participants park their Corvettes on the lawns of a golf course. The show has all kinds of vendors, a huge Corvette auction, and other stuff. We weren't able to go on the road tour this year but have in the past. Bloomington Gold has broken the Guinness World Record during this event. We particularly enjoyed watching the Corvette auction and saw some beautiful Vettes go at reasonable prices.

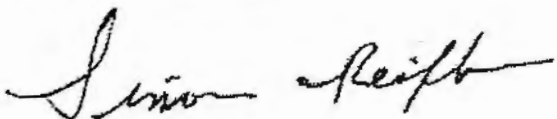

With the Corvette season well under way, we have plenty of activities to keep us busy again this month. There is an evening car show and fireworks on July 4 in Okemos, behind the mall. In mid-July, a big group from CCCC will be heading out to the Black Hills Corvette Classic for a few days of fun. A couple of Drive and Dines are being planned this month too. I'm sure Janet will have more details in her article. We have some exciting competition events this month so check out Kurt's article for more info on those. In addition, several members will be heading to the NCCC Convention in St. Cloud, MN this month. Lots to do. Info for all these events is posted on the Club Web site.

Our next general membership meeting is July 6. At this meeting we will vote on a minor revision to the CCCC By-Laws. Ten members signed a petition, which was presented to the Board, asking that we consider making our NCM Ambassador an appointed officer of Capital City Corvette Club. We are asking the membership to approve this. The position description was printed in last month's newsletter and will appear again this month. Please come prepared to vote on this change. In the meantime, John Bechtel stepped forward and expressed an interest in serving the Club in this position. John was approved by the Board and it is now up to the membership to decide if this position will be part of our By-Laws. John and Sandy are lifetime members of the National Corvette Museum so he is a perfect fit to serve as our NCM Ambassador.

Angela Kranz was approved by the Board as our Club Historian at the June 16 Board meeting. We are looking forward to having Angela fill this position. Many of you may not know this, but Angela has a long history with CCCC. Her folks were members for many years as she was growing up. Angela will begin assembling a history of CCCC. I'm sure she would appreciate our help with this. If you have an item of CCCC history that you would like to share, please contact her. Things like end of year membership lists and copies of old By-Laws and newsletters would be of particular interest.

I would like to encourage all of you to attend the membership meetings. We always have a good time and a lot of information is exchanged between members. Meetings begin at 7:05 p.m. at the Delhi Café in Holt. Members begin arriving before 6:00 so that they can eat and socialize first, but feel free to eat during the meeting too. As this season moves along, I want to take this opportunity to thank everyone for all of your work in making this Club successful. I believe we are up to 136 members now. The reason we continue to grow is all of you. Thanks again for everything. What ever we are doing lets continue doing it. Remember to make the most of the days given to us.

Save the wave!

Competition Report

Well another month has passed. I can't believe the days will soon be getting shorter. What happened to Spring this year? The Blessing of the Vettes show was a big success. We had a record number of cars entered and great positive comments. There are areas we can improve on but we look forward to making next year's Blessing Show Bigger and Better. Thanks to Dave and Diana Kuempe for all their work and to the volunteers who made the day go by smoothly. Thanks to Cory and Culver's for providing us with a great venue. We received numerous compliments. To Gary Wyma, a Big Thanks for doing the Blessing. We had 8 cars from The Mad City Corvette Club in Madison, Wisconsin. I would like to invite Dick and the whole crew back next year. They have a great club and are always welcome to any of our events. Lastly, congratulations to all the club members who took home trophies. Every club car there was a winner in my book.

We had our first low speed event in Battle Creek this month. Our club had 4 cars entered. Tom Rogers, one of our newest members came. With somewhat of a shaky start, he put on a good display of driving. Shalimar Maynard came with her Pit Crew (Bob) and won the novice class. (Sharon had better be looking over her shoulder. I think she has some major competition, and now that Diana has her own car, this could get really interesting.)

NOTICE OF BI-LAWS CHANGE PETITION

The 4-C Board of Directors received a petition, signed by 10 members, to add the position of National Corvette Museum Ambassador to the CCCC Bi-Laws. A vote will be taken on this addition during the July 6th General Membership Meeting. The addition is as follows:

ARTICLE V - SECTION B

The following positions shall be appointed annually by the President with approval of the Board of Directors and shall serve at the discretion of the President and the Board. The appointed Officer shall have no vote, but may provide input to the Board on matters before it.

Duties of the National Corvette Museum Ambassador-The NCM Ambassador shall perform such duties as shall be designated by the Board of Directors. This Member shall be responsible for complying with any and all requirements set forth by the NCM with regards to the Ambassador position and shall be responsible for maintaining communication between the Club and the NCM activities, and assist Club Members with any questions on NCM matters.

Meet Terry Feichtenbiner

Terry Feichtenbiner's non-member wife is Cyndy Wetzel. They met when Terry was helping teach an unarmed defense class at LCC and she was a student. They have been together for probably close to 18 years and married for 16 this fall. They have two boys: Sean is 14, and Sam is 10. Sean is Terry's rallye navigator and co-pilot in SCCA races. Sam is getting close to his black belt rank in Tae Kwon Do. They have three cats, one lizard, and various spiders, none belonging to Terry.

Terry is a Journeyman Die Maker, working for GM in Lansing. Cyndy spends most of her time volunteering in the kids' schools. Terry says they don't have time for hobbies, but other than CCCC, he belongs to SCCA and UAW Local 652.

Terry has a 1993 black Corvette coupe that he has owned since the fall of 2003. Cyndy has a 2000 VW Turbo Beetle; that is her baby.

"I always knew there was a club in town. When I got my car, I did a web search for the club's site," said Terry. He has been in the club for 1½ years.

"Along with racing in SCCA Solo 2, I am also a fire and rescue volunteer for the SCCA West Michigan Region, working regional and national club races at Grattan and Gingerman," added Terry.

ATTENTION ALL CLUB MEMBERS

Static Cling Club Banners and Ovals are Still Available

Summer is here and we're all anxious to drive our Corvettes to as many different functions as possible. Maybe we attend car shows, competition events, club social events or just cruise around in our cars. Whatever the function may be, a great way to advertise the Capital City Corvette Club is by purchasing a couple of static cling ovals and/or banners that the club purchased last fall. They are very easy to put on your vehicle; the ovals go on the inside of your window while the banners go on the outside. They are not permanent and can be easily removed.

The cost is \$3.00 for ovals and \$5.00 for the banners. In an effort to support and/or promote the club, please consider purchasing several for either your regular vehicles or your Corvettes. If you would like to purchase or see them, contact Jeff McQuade, allstarcmdr@michcom.net or call 517-541-1951. He will also bring them to the July club meeting.

1st Annual Blessing of the Vettes

About 16 months ago I was sitting in my living room thinking about the upcoming car show season when I said to my wife "what if we had a Blessing of the Vettes car show"? We thought about it for a while and came to the conclusion it was a good idea. We were thinking the club needed something it could do every year and thought this was exactly what we were looking for, a show that could grow and become as popular as the Corvette Celebration held annually in May at Charlton Park. I know some of you have heard of the "Blessing of the Bikes" held annually in Baldwin. That draws thousands of bikers from all over the state of Michigan. Now you know where the idea came from.

The more I thought about this the better it sounded. I questioned "Chappy (Gary Wyma)" about the idea to see what his thoughts and feelings were toward blessing our beloved Corvettes. He thought it was a good idea, so I talked to other club members for their opinions about a car show where we would have our Corvettes blessed. The response was positive and from that point on the wheels began to turn.

All last summer Diana and I were thinking about where to hold this event but couldn't think of a place. Then we went to the cruise-in at Culver's. We had a great time there. We mentioned the idea of a "Blessing of the Vettes" car show to Cory Chvala, owner/operator, of Culver's. Cory thought it was a good idea and offered his place of business for the 1st Annual Blessing of the Vettes. This was great. We now have a place to hold our car show, all we needed was a date. We knew we wanted it to take place before Memorial Day and hopefully before the graduation open houses started. After looking at the calendar, we chose the Saturday before Memorial Day for our first "Blessing".

In our efforts to make this show one people would come back to, we looked at all of the other shows we had been to and what we liked/disliked about each one. We really liked the car show where the pre-registered participants never had to get out of their cars upon arriving at the show. All they had to do was stop, sign the waiver and go park their cars. At other car shows you have to get out of your car, fill out the registration form, sign the waiver form, pick up your goody bag then walk back to your car and find a parking spot. So this is what we did at our show. If you pre-registered all you had to do was stop, sign the waiver form and go park your car, instead of stopping first to go through the registration process. Judging was another area we thought needed some attention. We didn't want our club to get the reputation that "club cars" get the majority of the awards. So we had our first experience with separate judging for "host" cars.

Diana and I feel that next years' show will be the true measure of success. We had 49 cars entered in the show, plus 7 who just wanted the Blessing. We had 5 Michigan Corvette Clubs represented, 1 Wisconsin club that brought 8 cars, and 2 cars from Canada. We looked at the rain at the end of the show as a sign that our show is going to grow. We would like to thank all the club members who worked at the show. You were a valuable asset to the success the CCCC's 1st Annual Blessing of the Vettes.

Thanks to Lupe our DJ for the tunes and of course a Very Special Thank You to Cory Chvala of Culver's for allowing us to use his restaurant for the site of the 1st Annual Blessing of the Vettes.

Burgers & a Drive-In Movie

Capri Drive-In Theatre, Coldwater, Michigan

July 16, 2005

We will be eating dinner at one of the few remaining Car Hop restaurants in Michigan.....

After dinner we will display our Vettes, prior to the movies, at the Capri Drive-In in Coldwater, Michigan. At dusk we will enjoy a drive-in movie. If you don't want to listen to the movie using your car radio, please bring along a portable radio. A photographer will be available for pictures of your corvette in front of the Drive-In marquee.

We will meet and depart from the (LAFCU) Lansing Automakers Federal Credit Union parking lot across from Team One on Lansing Road, just north of Charlotte, at **exactly 5:00 P.M.**

Contact Jeff McQuade or Evelyn Aronson if you plan on going.
