From the President . . .

Happy August Everyone! Here we are in the dog days of summer. We're on the road to the NCCC Convention in Minnesota as I'm dictating this to my trusty administrative assistant. We're taking the long way around by way of the Upper Peninsula. It takes a little longer, but it beats the Chicago traffic, and it is a much nicer ride. We'll take three days to get there to enjoy the sights and relax a little. Right now I'm looking for someplace to eat, as my tummy is empty. I have certain priorities, and eating is one of them.

We enjoyed the drive and dine in Coldwater. Jeff and Evelyn took us to an old style drive-in restaurant. We headed home right afterwards and found out that wheelchairs don't melt in the rain, but they do get really dirty! We got blasted in a few rainstorms on the drive home and the wheelchair was hanging on a bike rack. Rumor has it that some of our members didn't get home until after 3:00 in the morning! Many thanks to Jeff and Evelyn for planning this fun event.

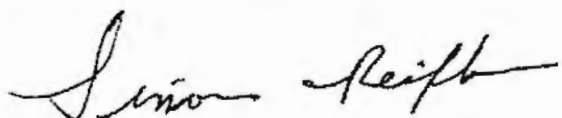

A few reminders: August is going to be a pretty busy month. Let's not forget our Spartan Speedway event on August 6. I'm sure Kurt's article will have details. We need lots of volunteers to help work the event and make it successful. It's a great opportunity to try out racing your Corvette too. On the August 13 is a drive and dine hosted by Mark and Nancy Hansen. Also, there's a NCCC sanctioned car show at the GM Tech Center in Troy that day. At the end of the month is the Corvette Crossroads in Mackinaw City. Details for that are on the Web and in Janet's article. Reminder – get your registration in for the car show by August 1 to purchase an event golf shirt, and save \$5 on the registration fee. We'll be seeing our friend Bill at the Chippewa Motor Lodge on the first and last nights of our Convention trip. We'll find out the availability of rooms.

Speaking of all the social events, drive and dines, etc., I wanted to remind everyone again – PLEASE wear your name badge. We have a very large club and the name badges help us put a face to the name. Do I sound like a broken record, or what? Thank you, thank you very much.

Be sure to contact John and Sandy Bechtel if you have any ideas for sponsorship for the Horsepower at the Zoo show. We have the flyer in this newsletter and extras to pick up at the Aug. 3 meeting. However, the Bechtels want to have all the sponsors in place shortly. We need items for goody bags and door prizes. We also need lots of CCCC workers to help get the participants registered and parked quickly. I'd like to see a high attendance from our own club. As you attend the different cruise-ins around town, be sure to mention the Horsepower at the Zoo show. With the city's budget problems, the Zoo can use all the support they can get to help make it a thriving organization. This show is also a great way to get our name out in the community.

Let's enjoy the rest of the summer. As we get out and about be careful on the highways and enjoy your Corvette. Enjoy the days given to us and use them well.

Remember – save the wave everyone!!!

SOCIAL EVENTS

It has been a HOT summer so far. Hope everyone is keeping cool and enjoying the summer with their car tops down, or off, whichever it is!

The 4th of July Car Show went off, almost without a BANG, when the storm came through. Thank you to all who gave Bob and Shalimar a helping hand with the show.

The "Return to your Teenage Years" Drive & Dine was a fun evening. We went to the Capri Drive-In, in Coldwater. It rained when we got parked in our spaces but quit just in time for the movies. We saw Charlie and the Chocolate Factory and Batman Returns. Thank you Jeff & Evelyn for hosting this fun blast from the past.

On August 13th Mark and Nancy Hansen have a big surprise Drive & Dine planned for the morning/afternoon. It sounds like they're going all out, so plan on attending this fun-filled event.

August 25-27 is the Corvette Crossroads show in Mackinaw City. This is a wonderful time to get to know each other more, one on one. Some may golf, go shopping, see the Island or explore the U.P. There is still time to sign up for this weekend.

September Highlights:

Drive 'n Dine with the Wyma's - Sept. 24

Horsepower at the Zoo Car Show - Sept. 18

These events are in the newsletter flyers with more information.
Feel free to contact me with any questions.

Keep It Cool!

Meet Dennis and Danielle Hessell

Dennis and Danielle met in high school. Dennis saw Danielle performing in a musical and got up the nerve to talk to her in the cafeteria. "We went on a date, and she has put up with me since," said Dennis. They have been married for three years. They have no kids, but they have a dog named Daisy who loves to ride in the Vette.

Danielle graduated from MSU college of Law in May 2005 and is currently studying to take the bar exam this summer. She will begin work in the fall for a firm in Detroit. Dennis is a physical therapist where he operates an outpatient clinic in Farmington Hills and is currently working on his doctorate.

In their spare time, they like to take Daisy for hikes. They also enjoy skiing, working in the yard, music, and of course Corvettes.

They have a 1977 Corvette that they bought it in 2003 after finishing school. Dennis met Simon at Sparrow and began talking about their 1977s. "I learned a lot about my car from using Simon as an owner's manual! Thanks Simon," said Dennis. They have been members of CCCC since the spring of 2004.

Dennis wanted to tell everyone "Although we have moved out of the area, we plan on making it to some of the bigger events. It was sad to leave Lansing, but we have moved to a beautiful area, have great careers, and there are four other Corvettes on our new street! I knew it was home when I heard a '64 rumble down the road!"
