From the President . . .

Greetings!

As I am writing this I'm thinking back to when Diana and I joined CCCC back in June 2002. I believe we had something like 30 or 40 members in the club and it wasn't hard to get to know everyone.

Today our membership stands at 144 members and still growing. We must be doing something right because people still want to be part of our club. As a reminder to all of us, be sure and wear your name badges so our new members can put a name with a face.

I would like to take this opportunity to welcome some of our newest members to all of the fun activities of CCCC. Our newest members are: Jim and Celie Bradfield, they drive a 2003 Torch Red Coupe, Lewis Kuempel, he drives a 50th Anniversary Convertible, Roger Martin, he drives a 2000 Bowling Green Coupe, Ted and Julie Lasher, they drive a 1992 Green Coupe, Tammy Richison, she drives a 2003 Blue Convertible and James and Cheryl Little, they drive a 1978 Silver Coupe and 2003 Millennium Yellow Convertible.

Welcome to Capital City Corvette Club.

I would like to remind everyone about some upcoming events: April 28 WKAR Auction, April 29 Vermontville Syrup Festival Parade and Drive'N Dine, May 11-14 Spring Get-away, May 20 Blessing of the Vettes show, May 21 Corvette Celebration and May 29 Marshall Parade and Hog Roast at Carmickel's. Looks to be a very busy month ahead for us.

I would like to thank Don and Janet Johnston for the Dinner and theatre play at Turkeyville. What a fabulous evening. Also a big **thank you** to Mark Hansen who worked with the Battle Creek Corvette Club to make possible a low speed driving school. We had 12 drivers participate and it may have created some enthusiasm among those people to race in some Regional low speed events. Thank you to Kurt and Sharon Schwamberger for donating their time to serve as instructors for the training course.

Looking ahead to our largest charity fund raising event, Horsepower at the Zoo. We now have in place a co-chair and a committee of seven people. For our new members who might not be aware of this event, this is one show where all of the proceeds go to benefit the Potter Park Zoo. A big **"THANK YOU"** for volunteering to help make this show a success.

As you can see there is no shortage of fun activities to participate in. Now that the weather is willing to cooperate, there will be Regional events to look for as well. The Region has a number of high speed and low speed events already lined up so keep an eye on the **"CALENDAR AS YOU GO"** found in this issue of **THE CONNECTION** and check the Region website for event flyers.

Save the WAVE!!!

Meet Lee and Pauline Webster

Lee and Pauline met on a blind date in 1967 and have been married for 37 years. They have four children, two boys and two girls who are all out on their own and doing well. The children are scattered from Minneapolis to Kansas and Southfield. They are soon to become grandparents for the first time.

Lee retired from General Motors after 39 years working in Labor Relations.

Their hobbies are golf and keeping track of what is happening with their four grown children.

They bought their 1975 Corvette in 2004 and the 1977 Corvette in 2005.

They found the club when Lee attended the Eaton Rapids car show and talked with the members of CCCC and joined in 2005.

"I have signed up to help out with the WKAR phone bank activity on April 28th as my first activity with the club. I am a little unclear what is involved, but I am looking forward to attending the low speed event in late April to see the activities," said Lee.
