## FROM THE PRESIDENT

---

The **Children's Miracle Network Car Show** took place at Shaheen Chevrolet on September 16. It was a huge success, thanks to Tom and Chris along with all the helping hands of club members who volunteered.

Now I am putting together ideas for a **Spring Getaway to Traverse City**, including a wine tour of 4-5 vineyards and possibly a trip over by the Sleeping Bear National Park. There are some interesting winding roads to take the Corvettes down and many fine restaurants in the area that we can hit on the way to one of our destinations. I have secured a hotel package at the Grand Stay Hotel and Suites at a two-night rate of \$199.58 including all fees and taxes for both nights - That's less than a hundred dollars a night including all taxes as long as we go the weekends of May 3 & 4 or May 10 & 11, before memorial day weekend. I got a price on a guided wine tour of \$27 per person (and the owner owns two Corvettes and his wife is the Corvette underwriter at Haggerty Insurance.) The wine tour vans hold 14 each so we would like to get at least 28 people to attend this spring trip. Hope to see many of you there!

Respectfully,  
Your President,

*Bob Maynard*

# Drive and Dine Hints

An enjoyable and safe Drive and Dine takes some thought and planning. Based on past experiences, we have compiled some helpful hints. Begin by contacting the Social Director with the proposed date to verify that the event does not conflict with other club activities. Choose a starting point; preferably with restrooms and gasoline available. Reserve a restaurant with ample parking and accessible facilities. A flyer needs to be sent to the Editor and the Webmaster at least 30 days in advance. Bring a sign-up sheet to the club meeting with a column for a cell phone number where they can be reached the day of the event. Encourage participants to bring two-way radios.

The following are things to consider when planning a route:

- Avoid expressways and congested high traffic areas.
- A minimum of traffic lights is preferred.
- Right turns make it easier to keep the cars together.
- Avoid turns with poor sight lines or blind corners.
- Check for safe places to pull over if there are intersections where cars are likely to be separated.
- Check for major local events for that date that may create congested traffic such as festivals, parades and sports events.

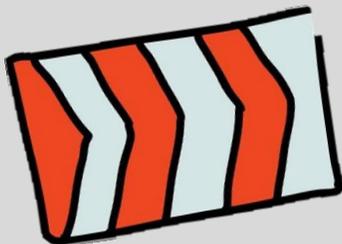

The route should be driven within 24 hours of the event to check for changes in road conditions or construction. Bring a waiver form and the sign-up sheet to the starting point. Hold a driver's meeting to cover additional information that will enhance safety and clarify the route.

Participants should arrive ahead of the driver's meeting and sign the waiver. Please call if you signed up but are unable to attend. A participant with a radio should be designated as the last car to leave the starting point. Throughout the route the lead car will be communicating with the last car in order to keep the group together. Drivers should avoid leaving large gaps between cars. They should also use their turn signals so others can follow the route.

These are some basic considerations for a safe and successful Drive and Dine. Your event can be embellished with a scenic route, a fun stopping point or a unique destination.

# MEMBERSHIP RENEWAL

Club Members,

Its renewal time for 2019. So I'm asking for your help. We only have 2 membership meetings left for the year, so you all need to get your renewals in to me as soon as possible. The deadline is the November 7th membership meeting. You can bring check or money to one of the next 2 meetings or send it into the clubs P.O. Box. @ PO Box 27295, Lansing, MI 48909

If you renew after the November membership meeting there is a \$10.00 late fee that will be charged. This is NOT coming from me or the club. This is an NCCC charge. So please don't be late getting your dues to me. This charge is tacked on to your dues for paying past the deadline. As much as we all disagree with this rule it is my job as Membership Director to enforce it. That's why I encourage all of you to pay your dues in a timely manner, then I won't have to enforce the rule.

Here is the break down for you.....

Primary Member \$55.00

Primary and Spouse \$75.00

2 people - Primary is a Lifetime member of NCCC \$50.00 (only Primary member can be a lifetime member)

2 people - Primary has NCCC with another club, but spouse's NCCC is with 4C's \$50.00

2 people - Both NCCC numbers are with another club \$40.00

1 person - NCCC with another club \$30.00

I know it's confusing and some of you are wondering why some member's due's are lower than other's? Depending on the scenario you are in, depends on the amount you pay as an individual or couple and whether or not your NCCC number is with our club or another club. In short, your NCCC number and which club it is with basically determines how much you pay for your annual dues as a member.

The November meeting is also the deadline for anyone wanting to be elected for or voted for being a 2019 board member. Keep in mind too, if you do not pay your dues, you can not vote for or be elected to serve on the 2019 board. So get your dues into me.

With this being my busy time of the year as Membership Director it is greatly appreciate when all renewals are received as early as possible. This makes my job so much easier. 😊

To all new members - all of this may be confusing to you. If you have any questions regarding any of this information, please feel free to contact me and I can explain in better detail.

Anyone that has already paid their dues can disregard this email. No need to respond back to me.

Thank you to all members that have already paid.

Angela Hyde  
Membership Director

*Save the Wave!*

P.S. Members may also pay 2019 dues to me at any club events between now and the November Membership Meeting.

I-69 Exit 42 (N Drive North)

**FRIDAY, OCTOBER 5, 2018**

We're gathering at Fireside Grill, 6951 Lansing Rd., Dimondale, MI (located near the State of Michigan Secondary Complex). We will leave there at 4:00 pm sharp and arrive at Turkeyville at approximately 4:30 pm. This gives us about an hour to do a little shopping before going into the dining room at 5:30 pm.

The performance after dinner is the musical-comedy "NunSense Amen!"  
Curtain time is 8:00 pm.

Just like the original "Nunsense", all characters are portrayed by male musical-comedy performers. Think of it as "Mrs. Doubtfire enters a convent." In this sequel, a whole new line of comedy surfaces with lines like "The guys in the neighborhood still can't believe I became a Nun! You will laugh from beginning to end.
