President's Page

Members,

The 2022 Competition season is coming to a close. October will be our last full month of events and then one on the first weekend of November. Currently, Capital City as a club is sitting in 2nd place in the Region. This could change based on the sanctions that will be used and how many people from each club show up at the final Autocrosses. Clubs earn points based on individual competitors at sanctioned events over the entire year, plus points for using their sanction numbers. I want to thank all that came out for any of the Car Shows, Rallyes, or Autocrosses this year. Each one of those events you attended contributed to our total. Last year a small group of us headed down to Perrysburg to defend 5th place and did well enough to move up to 4th. This year, I am sending out another rallying call. If anyone can do at least one day in Perrysburg or Livonia, please do. My intention is to compete in all of them, so I hope to see you there. I would really like for our Club to finish 2nd this year.

Our club had a very interesting opportunity this past month. We were invited to display our cars as a club on Hart Plaza one day during the North American International Auto Show this year in Detroit. Unfortunately, we weren't able to put together the participation we would like to have had, but we did have 5 cars go. We were on the plaza with the other entertainment: Monster Trucks, the Sound Stage, Gaming Trailer, and the food trucks. I know many wanted to go, but were unable to arrange it. There is a possibility they will do this again next year and we will be one of the clubs contacted again. So, earmark next year's show. If we are invited again, I will arrange our trip there.

We not only have events left in the competition season, don't forget our social year is not over either. We still have our events this month and still need to fit in Nite Lites, Toys for Tots, and a Christmas Party. Watch the online calendars for any updates on these upcoming events. I am hoping to change up our Toys for Tots lunch this year, but not letting anything out as it is still in the works, so keep an eye out. I know we have had a few cool days, but don't put your Corvette in storage just yet. There is still a lot of fun to have.

Don't forget to wave,

Kyle

- To become President, you must have served on the Board. Sue Keith has submitted a list of eligible members for publication in the newsletter.
- The Mackinaw parade is on Kyle's YouTube page.
- Tamarack Bingo is 9/17. We have been doing this for years. We don't play Bingo; we just host the game.
- VOA/Delta River Bingo is 11/5. This is a low-income complex and personal needs items would be appreciated. There will be a signup sheet at the October meeting.
- Casey would like to know if we could possibly have a separate members only Facebook page to share information. He will contact Dave Voss and see if this might be a possibility.
- Kyle is asking that please, as many people that can, attend the Cars & Coffee at Shaheen this Saturday. They are our Club sponsor and it would be nice to have a show of support. The Board voted to make this a Club Event. Motion made by Kevin Mead and seconded by Simon Reiffer and passed by the Board members present.

- Simon has a flyer for a 1981 Corvette with 31,000 miles for sale.

Membership Meeting Minutes

- Anniversary updates. Tim is checking out places we might be able to take a group picture with the Capitol in the background. The previous parking lot at the Capitol is now grass. One is the parking lot at the Michigan History Building and another is a private parking lot near Constitution Hall. He has called the parking lot owner and there is probably going to be a fee to use their lot. Tim's son is a professional photographer and he said that it would be difficult to Photoshop our old picture in front of the Capitol with a new picture. Also using a drone might be an issue because of air space around the Capitol. Tim will continue to work on this. Picture must be submitted early June, 2023. Stella has been in touch with Sports Stop about also making a canvas bag with the 65th Anniversary logo on it in case some people don't want a shirt. Sports Stop will get back with her on a price for these.
- Kyle wanted to present the Club award from Mackinaw to everyone but was unable to because his daughter has come down with Covid. And because of that, he didn't want to drop it off at Simon's either. We have won the participation award for the past 9 years.

Adjournment at 7:30. Motion by Stella Wood and seconded by Bob Maynard.
