The 64th Annual NCCC Convention was held in Bowling Green, Kentucky on June 24-30. This was our 17th. Conventions make wonderful vacations since they are often held in cities that we probably wouldn't travel to on our own. It's a week to reconnect with old friends and make new ones!

Several club members went on the General Jackson Showboat and were entertained by Tennessee Legends. We highly recommend the Showboat if you are ever in Nashville. The entertainment was great!

We had several heavy storms during the week that dampened most of the competition programs. The People's Choice and Concours were sunny, but the rallye was cancelled. The weather also created issues with the drags, low-speed and high-speed events. We even had a tornado warning!

Several of us had the opportunity to meet Kirby, a 10-month-old Kangaroo. Kirby enjoyed eating animal crackers out of Bob's hand.

The Michigan Region won the wine tasting contest! Our thanks to George and Kathy Duncan for fitting two cases of cranberry wine, along with their clothes for the week, into their Corvette. (An amazing feat!)

Convention concluded with a Gala at the National Corvette Museum, celebrating the 70th Birthday of the Corvette. Our Keynote Speaker was Harlan Charles, Chevrolet Corvette and Camaro Product Marketing Manager. He talked about the recognition the Corvette has received and the upcoming E-Ray.

Simon helped present the President's Award to Carolyn Samuelson, who some of you may remember from past racing events. We had between \$150-\$200 worth of Michigan made items to put into it. It was impressive! Our thanks to everyone that contributed to help Simon bring back a NCCC tradition.

President's Page

Members,

What a busy few months we have had. It looks like in July we will be getting a chance to catch our breath as the calendar looks a bit more open. I know there are still plenty of cruise-ins and other shows throughout the local communities, don't forget to attend some of these and represent our club!

A handful of us are returning from the 2023 NCCC National Convention in Bowling Green, KY. As expected, there are a handful of stories we will be sharing in the future. Unfortunately, some of them are a result of the weather. A set of strong storms came through the area on multiple days intent on disrupting the activities, and temperatures reached triple digits! This caused a cancellation of the rallye and shortened the high speed races. Eventually, the convention organizers got it all smoothed out by changing over to a chance rallye and ensuring everyone got at least one scored high speed run in. Even with the weather challenges, it was a great time and we had some unexpected adventures. Feel free to ask me about the Ice Cream Run... but the weather had one last surprise for me on the way home. I don't think I have ever had to drive my Corvette in such a thunderstorm! While you may not want to attend the convention annually like some, I encourage you to try and fit it in at least once. You will never forget it.

This month we will have our 65th Anniversary celebration. If you have not signed up yet, please do. We have a group of members putting in quite an effort to ensure everyone has a great time commemorating this milestone. We are one of the original forming clubs of NCCC and the Corvette itself is celebrating 70 years this year. There are only a few Corvette Clubs that can claim a history as long as ours and you get to be part of it!

Save the Wave!

- Casey will check to see if there is a logo for membership to the Museum that we can use on our website.

Historian: Sue Keith

- I have nothing new to report. There are a couple of old CCCC banners, but I do not have the room to store them.

Hearts and Flowers: Ann Voss

- I have sent out 3 cards since our last meeting.

Chaplain: Ward Harris

- I am looking forward to the Blessing of the Vettes and I am trusting we will have a great day.

Membership Meeting Minutes

New Business:

- Tim had a link from Brian Wells (the photographer) and we were able to look at some of the photos he took on Sunday. Tim also called Ben at Shaheen and thanked him for letting us take the photo there and helping with the car that was parked in the way. We had 33 cars show up for the photo. The pictures turned out great.
- Stella will bring the 65th Anniversary banner to the Blessing of the Vettes.
- We need checkpoint people, tech people and starters for the Rallyes. If you have never done a Rallye, this will be an easy one that you should try.
- The Corvette Roundtable is comprised of people from different Corvette Clubs from around Michigan. They will be coming to the event on 6/17 in Okemos and it would be great if we could have a large turnout from our Club.
- The Father's Day Ice Cream Social on 6/16 is at Independence Village of East Lansing. They really enjoy seeing all of our cars, we hope many of you can come.
- CMN – We need people to help with setup for this event. We will be using our tables and chairs for this. We also need help with the tear down and cleanup. We will not have as much help from Shaheen as we have had in the past.
- K2 (FCOA Kyle) will be playing his guitar for the National Anthem at the CMN car show. Our Super Heroes are coming back also. There will be more information coming in forms of emails and at the next Membership Meeting. But please remember, we need a lot of volunteer help.
- We will have Gold and Silver Sponsors. We will have trophies for the Top 25 and our Miracle Child will have a Favorite Car trophy. We also need door prizes donated.

Other Business:

- Gloria shared with us all of the Michigan things that will be going into the President's Award when Simon has to pass it on.
- A motion was made by Chris that we donate a 65th Anniversary shirt from the club and it was seconded by Stella, and approved of by a majority of the members that were present.
- Maybe next year we could have our bowling party at a bowling alley in Jackson.
- Artie won Best of Show at a car show in Jackson.
- Angela wished all fathers a Happy Father's Day.

Adjournment at 8:30. Motion by Mary Wells and seconded by Simon Reiffer.

Board Meeting Minutes

New Business:

- Not that many people signed up for the Rallyes at Blessing of the Vettes. Because of low interest, only 1st and 2nd places were awarded.
- We need a timing coordinator for the Birch Run event. You would be sitting in the booth for the event. We will try and get the equipment and do some training before August.
- A new cable was purchased for the speakers. We used it at the Roundtable and they worked really well.
- Tim picked up the CMN fliers. He also brought in copies of 2 of the 65th Anniversary pictures for us to see and decide which ones we liked for Blue Bars. Most of us liked the picture with a closer shot of the members.
- We have a DJ lined up for the CMN car show.
- The 65th Anniversary plans are moving along. We need to have people sign up for dishes to pass. The sign-up sheet will be at the July Membership Meeting.
- It was discussed trying to keep on topic at the Membership Meetings. One way is trying to only discuss a subject and/or event once.

7:50 Motion for adjournment made by Bob Maynard, seconded by Simon Reiffer and approved by members in attendance.

*"It's the 4th of July, dad.
Where's your festive spirit?"*
