# President's Page

**Members,**

**It is mid-year and we are keeping busy. Blessings of the Vettes went very well for us this year and netted us over \$2000 to donate to the VFW home for Children. I appreciate everyone's efforts in putting this show, rallye, and funkhana on. Our next big event is in August at Birch Run for the annual autocross we host. This event also brings in usually over \$2000 profit that we use to support community organizations. Even for the non-racers in our club, your support in putting the event on helps grow the event by providing a better experience to the competitors. They come back and tell others. This helps the club achieve its stated goals, so don't look past this event even if you are not a racer. We can use all the help we can get. I would say the same for the car show we do with Shaheen's, but I think the importance of that show is more direct and many turn out to support it.**

**With these events in mind, we need to support other organizations, events, and clubs in our community if we want them to support our causes. Don't forget you get club competition points for attending other shows or competitions where you register and compete with your car displaying a Capital City logo somewhere (Shirt, window sticker, license plate frame, etc.). Talk to people, let them know who you are, and tell them about CCCC, and what our next event supports. This is how we continue to grow. One thing an organization the age of our club must be wary of is becoming comfortable and set in our ways. Our causes, our club, and the Corvette are relying on us to be ambassadors in our community!**

**Don't forget to Wave!**

**7:00 Call to Order:** Kyle Felts, President

- Mail received was information from Birch Run.
- SST is offering an 8% discount on transmissions.
- St. Ignace Car Show is June 27-30. Designers of the C4, C5, C6, C7 and C8 will be there.
- Thank you, Simon and Gloria, for organizing the trip to the Marshall Memorial Day Parade.
- Thank you, Casey, for setting up a meeting place for traveling to the Turkeyville Car Show.

**Secretary:** Melissa Hass

- Approval for May minutes: Motion by Chuck Miller and seconded by Casey Mulvany and approved by the majority of the members in attendance.

**Treasurer:** James Sutherland

- The books are balanced and the bills are paid.
- We have enough in the checking account for the NCM membership payment.

**V/P Governor:** Simon Reiffer

- Gloria and I had a great time at the convention.
- Currently NCCC has 17,817 members and 234 clubs. 59 members joined through NCM deliveries.
- Officers up for election this year are President, VP of Membership, Treasurer and Public Relations. Applications are due by September 13.
- There were 278 registered attendees at the 2024 Convention in Joplin, MO. Next year the convention will be in the Wisconsin Dells from August 17-22, 2025. There are plans for the 2026 convention to be held in Syracuse, NY. The 2023 convention in Bowling Green had 735 adult and 13 youth registrations with 108-day passes.
- There haven't been any new insurance claims. Allen Morris is looking into setting up a Business Plan for NCCC.
- Standing Rule Change Request (SR-2024-002) was passed. This rule now reads "In extraordinary nationwide circumstances the Executive Board may suspend the upcoming national meeting and/or convention."
- By-Law Change Request (BL-2024-001) was tabled. NCCC is looking at combining the positions of Charity and Sponsorship into one to align with current operating practices.
- Standing Rule Change Request (SR-2024-004) to address an increase in dues was not brought to the floor. Governors were asked to discuss ways to cut costs with their clubs and then share at the September meeting. Lowering the paper quality for Blue Bars is being looked at to help cut costs. Elaine doesn't believe members are ready to go 100% digital yet but encourages members who do not want the hard copies to switch to soft copies, available through the NCCC website.
- If you are thinking about becoming a Lifetime Member of NCCC, now is the time to do it. Lifetime membership is \$300 so you break even after 10 years. This may be increased to \$350. Lifetime membership in NCCC transfers between affiliated clubs if you move.
- Ten scholarships were given out at convention.

# Membership Meeting Minutes

- The monthly message from the President went out to 13,200 members and only had 13 bad email addresses. There has been a problem Go Daddy not forwarding to emails. If you recently sent an email to an officer, they may not have received it. This issue has been fixed since the Governor's meeting.
- The FCOA page has been updated and Melissa Felts has been posting monthly newsletters for the members.

**Points Director:** Daniel Burk

- Absent, no report. Dan has resigned from Points Director; this will be discussed in New Business.

**Competition Director:** Kevin Mead

- Absent. Report given by Kyle. Sign-up sheets for Birch Run are on the table. Please volunteer for this event, it is a great money maker for the club.
- There are a few things with the Regional Competition. We are hoping to roll out an FCOA Rule Book.
- Chapter 12 in the Rule Book will include FCOA competition, a Young Guns Competition and a Zora Competition.
- Create a Custom C Class for the C8.
- Cell phones can be used for timing events.
- The word roundabout is now included in the Rule Book.

**Editor:** Tom Faupel

- Absent, no report.

**Membership Director:** Angela Hyde

- We now have 100 members, 2 honorary members, 31 FCOA and 4 lifetime members.

**Social Director:**

- Birthday treats were handed out.

**Public Relations Director:** Chuck Miller

- Nothing new to report.
- Signup sheets for the Blessing of the Vettes are on the table, please volunteer to work this event.

**Appointed Officer Report:**

**Past President:** Bob Maynard

- Absent, no report.

**Photographer:** Tom Faupel

- Absent, no report.

**Webmaster:** Gloria Reiffer

- Nothing new to report.

**Facebook Moderator:** Dave Voss

- I have been promoting Blessing of the Vettes on Facebook. We have had a few comments and a few followings.

# Membership Meeting Minutes

**Zoom Facilitator:** Kyle Felts

- Zoom is working fine.

**Quartermaster:** Randy Putmon

- Trailer is doing just fine and will be at the Blessing of the Vettes.

**Sergeant at Arms:** Geoffrey Cradit

- Nothing new to report.

**NCM Ambassador:** Casey Mulvany

- There are a lot of changes at the NCM. A few key employees have been dismissed. Hopefully things will be straightened out before the Corvette Caravan.
- June 14 there is a new exhibit opening, Ground to Sky, it is about the sink hole.

**Historian:** Sue Keith

- Nothing new to report.

**Hearts and Flowers:** Ann Voss

- I have been busy this year and have had to restock my cards and stamps.

**Chaplain:** Ward Harris

- I have nothing new to report. I am looking forward to Blessing of the Vettes.

## **New Business:**

- NCM payment is due this month. Hopefully we will see more Ambassadors on the Board.
- Dan is stepping down from his position of Points Director. This usually falls back to the President and I am sorry to say that I have bitten off more than I can chew at the present time and I cannot do it.
- Kim Keith posed the question that maybe we should suspend the points program. This is an expense to the Club especially when only the top 10 receive rewards. There was discussion on this issue, including maybe we should just "roll back" the prizes. Most members are in favor of keeping the points program.
- It was suggested that maybe Kim could write up something for the Newsletter about our points program and that it was set up to promote more participation within the club.
- Roy Bailey stated he would be willing to fill in with one of the two Board positions.
- Kim Keith stated he would do as much as he could to help with the Points Director but he would not be able to do everything because of living so far away. There are so many things that you can receive points for however cruise-ins are not one of them. For car shows, it must be something you have to register for. Elected officers and appointed officers receive points. The more you put into the club, the more points you earn.
- Maybe in the future the Board should review the points rules but should wait until the first of the year.
- Kim Keith will be Points Director and Roy Bailey will be Social Director

# Membership Meeting Minutes

## Other Business:

- Blessing of the Vettes. Chuck reported he has a list of things that members will be bringing for the event. There will be coffee and donuts for the workers. This year we will be having a few door prizes. People will receive one ticket for door prizes and one ballot for voting when they register. There will be one vote per car for the show.
- Brian Bush will be bringing a few door prizes for the Blessing of the Vettes.
- This is an NCCC car show, we want all that attend from the club to register.
- Angela stated that at the Turkeyville car show their registration form was a carbon copy and also served as a ticket for door prizes. Maybe we would want to look at something like that in the future.
- There is a sign-up sheet on the table for the Rallye and the Funkhanas.
- Fill the Pantry is 6/9 at Antioch Church, see flyer. Please attend this event. Pastor Ed is a friend to our Club and the Corvette community; he promotes these things on his YouTube channel.
- Sign-up sheet for Mackinaw Crossroads is on the table.
- Ward closed the meeting for us with a Blessing.

**Adjournment** at 8:10. Motion by Sue Keith and seconded by Melissa Felts.

**7:00** Motion for adjournment made by Simon Reiffer, seconded by Kevin Mead and approved by members in attendance.

# Lake Michigan Circle Tour

The first week of June Michelle and I travelled to the Wisconsin Dells for Corvette Adventures, but rather than taking the most direct route to get there, we drove the northern part of the Lake Michigan Circle Tour. Our trip began on Saturday with us heading west to Muskegon where we picked up Scenic Dr. and started our journey north along the lake shore. Our first stop was at Silver Lake for a Mac Wood's Dune ride. After a fun adventure on the dunes we made a stop in Pentwater for lunch and then picked up M22 just north of Manistee. We traveled the entire length of M22, with a stop in Glen Arbor at Boonedocks for dinner, before making the loop thru the Leelanau Peninsula up to Northport and then to Traverse City. We spent the night in Traverse City and on Sunday enjoyed some time on Grand Traverse Bay and went back to Glen Arbor for dinner at Cherry Republic and to hike the Empire Bluff Trail as well as the trail up to Pyramid Point. Monday we continued our journey around the lake. Heading north on US31 we made a quick stop to visit Tom's aunt in Petoskey before picking up M119 going thru the Tunnel of Trees. After crossing the Mighty Mac we stopped in Saint Ignace for a burger at Clyde's Drive-In then continued our journey thru the UP on US2. In Escanaba (it was too early to see it in the moon light and lightly raining) we picked up US41 south. In Menominee we made a short stop at John Henes Park for some nice views of Green Bay, before crossing the border into Wisconsin and completing our days drive. Tuesday we started our day in Green Bay, WI with a Lambeau Field Stadium tour and visited the Packers Hall of Fame. After lunch we headed north on W57 into the Door County Peninsula, and drove all the way to the tip of the peninsula, including a cruise down the curvy road. After a stop for ice cream we headed south again on W42 and completed the day's drive in Sheboygan, WI. and had dinner at Parker John's BBQ & Pizza followed by a walk on the beach. Wednesday morning we drove to Acuity Insurance to see the tallest flag pole in North America. (Standing 400 ft Tall, 11 ft in diameter at the base, and flying an American Flag measuring 70 ft X 140 ft) From there it was on to get some fresh Wisconsin cheese curd at the Gibbsville Cheese Factory. Nothing quite like fresh warm curd and the squeaky sound it makes on our teeth. Our final stop before completing our trip to the Wisconsin Dells was a stop at the International Crane Foundation in Baraboo, WI. There we learned that there are 15 different cranes in the world, but only two that live in North America. (Whooping Crane & Sandhill Crane) They have all 15 species of Cranes at the Foundation for you to see and learn about. Upon arriving in Wisconsin Dells our odometer had recorded 1173 miles since we left home and we had a great time. If you ever get a chance to drive all or part of the Lake Michigan Circle Tour we would definitely recommend that you give it a go and enjoy the beautiful scenery.

# Corvette Adventures

Corvette Adventures is a three day annual event which takes place in the Wisconsin Dells and surrounding country side. Each day you have a choice of guided Corvette driving tours to take and other events as well. The tour we chose on the first day took us on a 244 mile drive thru the country side making stops at the Ziegler Winery in Fond du Lac, lunch at Fudgienuckles Sports Pub in Glenbeulah, followed by a tour of Throttlestop to see the cars & motorcycles in their collection before returning to the Dells. Day two took us on a 110 mile drive and included a 3 hour visit at The House on the Rock in Wyoming, WI. This bizarre house filled with an unbelievable array of collections is hard to describe and something you will have experience firsthand to believe. After a stop for lunch at the Wisconsin Riverside Resort we headed to the Dells Raceway Park and everyone had a chance take a couple of laps on the track in their Corvette. On the third day we went for a 61 mile cruise in the morning, then did a Corvette parade through town, and in the afternoon had another 60 mile cruise. That evening we attended the closing awards dinner. Corvette Adventures was a lot of fun and made even more special by the fact that we got to experience it with three other couples from CCCC: The Polomski's, Maynard's, & Wieczorek's.
