President's Page

Members,

July is heating up, and not just the weather! It's been a busy month for Capital City members, with Corvettes on display at shows all over the region. From polished chrome to custom paint, it's been great seeing our club represented so well. Thanks to everyone who has taken the time to show off their cars and help keep Capital City visible and active in the community.

Looking ahead to the 4th of July weekend, there's more than just fireworks on the calendar. We've got a big multi-regional autocross in Perrysburg, which includes the annual Bracket Challenge, a fun format that always draws a crowd. If you're planning to compete or spectate, it's a great chance to meet members from other clubs, cheer each other on, and enjoy some friendly competition.

On the national level, don't forget that several of our own Michigan Region members serve as NCCC National Officers and contribute regularly to Blue Bars, the NCCC quarterly magazine. These folks put a lot of time and thought into those articles, so be sure to check them out when your next issue arrives. It's a great way to stay connected to the broader Corvette community and see the work being done behind the scenes.

As always, if you're new to the club or just thinking about getting more involved, don't hesitate to reach out. Whether it's car shows, autocross, rallies, or social events, there's a spot for everyone, and we're happy to help you find yours.

Don't forget to wave!

Board Meeting Minutes

New Business:

- We are concerned about Ward, Kyle will try and reach out. We understand he is home and recuperating.
- It was discussed that maybe Shelby could contact the local media and we could get some sort of publicity at our functions.
- National Corvette Day is 6/30. Kyle has been monitoring the route because of construction but it seems to be open as of now. The plan is to still leave the Meijers' parking lot on South Cedar Street at 5:45 and arrive at Smokey Bones by 6:45. We may get separated some driving through town, but we will do the best we can.
- Kevin called a few companies that sell canopies. He got a quote from EzUp for a 10x20 medium duty canopy with our logo and Shaheen's name. This canopy would give our club some good visibility. This is an American company and also has replacement parts. The cost of this canopy is about \$1,300. This size canopy will be harder to store but it still might be a better way to go.

Other Business:

- For our club to receive electronic payments we need to check into getting a phone number for us to use. We will discuss this further and maybe Shelby has more information on this.
- Jen and the Shaheen crew have really started to run with getting the September show going. We will continue to do our "thing" of setting up, door prizes, registration, music and whatever else is needed.
- Kyle will be going to the Sports Stop to get the engraving for the Turkey Award taken care of along with a few other things.
- Kevin went by Bob's PDR in Grand Ledge and discovered that they are no longer in business. There is a place in Holt, Lincoln's Touch, that did a great job on detailing his car.

7:15 Motion for adjournment made by James, seconded by Tom and approved by members in attendance.

"You don't have to go to extreme measures to see my car, Jim. Just come over, I'll be glad to show it to you."

Mr. Gilmore's Retirement

A person's hopes and dreams for their retirement are as varied as the people who make them. Mr. Gilmore did not have an automotive career or background, but when he retired in 1963, his wife gave him a 1920 Pierce Arrow that needed work.

Donald S. Gilmore was born in 1895 and raised in Kalamazoo MI. After high school he attended Yale Sheffield Scientific School in New Haven CT. He returned to Kalamazoo and joined his brothers, James and John, in operating the Gilmore Department Store that the family founded in 1888. In 1916, Donald married Genevieve Upjohn, the daughter of Dr. William Upjohn who had founded the Upjohn pharmaceutical company. Donald joined the Upjohn Company in 1929 and eventually became chairman.

After retiring and working on his Pierce Arrow, Gilmore began collecting more historic vehicles including a 1927 Ford Model T and a 1913 Rolls Royce. By 1966 he had acquired 45 vehicles and needed more space. He had purchased 90 acres in Hickory Corners because he felt it was strategically located between Detroit and Chicago. He proceeded to buy three historic Michigan barns that he had dismantled and reassembled on the property.

The Gilmore Car Museum opened to the public on July 31, 1966, and has become one of the largest automobile museums in the country. The collection includes over 400 vehicles in multiple restored barns and buildings. The property also features a 1940's diner, 1930's Shell gas station and recreated auto dealerships for Franklin, Model A Ford, Cadillac and Lincoln. The museum's mission is to tell the history of America through the automobile. Corvette enthusiasts have a special opportunity to enjoy this extensive collection during the Best of the Bowties event on July 20, 2025.

How to look up 4C and Michigan Region Events

If you have ever wondered – How is it that club members are so active and in the “know” about local club and Michigan Region events? Well..... this is how!

If you're looking for local club events going on around Lansing and the surrounding area, visit the club's website at www.cccorvette.org. Click on the link on the left that says, “Event Flyers.” This takes you to the club's social and competitive events. If you scroll down, on the left column it has upcoming club activities, and weekly cruise-ins in Lansing and the surrounding areas. Scroll down further and it lists some of the more popular annual car shows and events going on outside the Lansing area. Over to the right of the car shows and events is a list of the popular annual National/International Corvette events going on. Many of the events listed on this page have links that will take you to more information about that event.

If you scroll back up to the top of the page, it has links to the Michigan Region competition events. If you click on the link that says, “Event Flyers,” this link takes you to the Michigan Region events page. Here is where you will find a multitude of events happening throughout the year in the Michigan Region. If you are interested in branching out and trying your hand at an Autocross, Funkhana, Rallye, or even a car show that another region club is hosting, this is the hotspot for information. Events are listed by Date and Event Type. Click on anything that is underlined in the event type column that you may be interested in, and it will take you to that events flyer where you will find more information on that event.

You never know what you will find to do during the Corvette season. A new favorite car show/cruise-in to attend, or you may decide to try an autocross, Funkhana, or Rallye and find out that you really like it. Heck.... When you branch out, you even make new friends. It is a WIN/WIN for sure!!

Remember, if you want to know more, you can reach out to other club members that have attended these events and can answer any questions you may have! There is always a variety of events to do during the Corvette Season! So.... What do ya' say!!! Jump on the Corvette bandwagon and enjoy the ride alongside the rest of us! There is plenty of fun to be had out there with your Corvette and the 4C's Corvette family!

Save the Wave!
