CCCC Members,

While traveling over the holidays Michelle made the comment to me that she really misses being able to drive our Corvette. This led to a discussion of all of the fun we have had over the years and the wonderful friendships we have made because of having a Corvette.

My wife's first real introduction to the Corvette family occurred when I bought a 1990 Coupe by chance at an auction, but I have had a love / passion for Corvette's ever since grade school and spent many hours studying and learning about the car growing up. As I am sure most of you can remember the first Corvette you rode in or got to drive, it seems like only yesterday when I got to ride in my neighbors early C3. Which was a new car in those days. Within a year of graduating from college, I was able to buy my first Corvette, a 1982 that is still one of my favorite cars.

After my wife was encouraged by a former patient to attend a CCCC meeting in early 2018, we did just that and we have enjoyed being members ever since. As we are getting ready to start 2026, I am excited for another year of fun and fellowship, with old and new friends. There are many annual events that the club organizes or participates in, from Drive N' Dines and Parades to Car Shows and Autocross, and I encourage everyone to get out and enjoy as many of these activities as you can. In addition, we are always looking for new ideas and need your input and help to plan events during the year.

After talking with Michelle, I came to the realization that her love for the car and the enjoyment it can bring was just as strong as my own. Hopefully you all feel the same way and as your travels bring you in contact with others with interest in Corvette's that you can share some of your passion and reach out to them to join in on the fun.

I am excited for the year ahead and hope you are too.

Happy New Year,

Tom Faupel

## Plan Ahead for Convention 2026!

Online registration opens on February 1<sup>st</sup> for the NCCC Convention. This year's event takes us to Syracuse NY during the week of June 20–26.

This will be the 20th convention that Simon and I have attended since our very first one in 2000, when Capital City Corvette Club proudly hosted at Shanty Creek in Bellaire MI. Over the years, the NCCC Convention has become our annual vacation—a chance to explore parts of the country we might never have visited on our own and to spend a week with friends we've made along the way.

Competitive events take place most days, with awards presented at the Convention Breakfast on Friday morning. If competition isn't your thing, there are plenty of bus trips to enjoy, including visits to Corning Glass, Cooperstown/Ommegang Brewery, Glenora Winery, Niagara Falls, and 1000 Islands (Alexandria Bay). The Syracuse area offers many additional attractions to explore at your own pace, possibly with new friends.

The Hospitality Room is open most days from 10:00–5:00 and offers a comfortable place to relax, meet members from across the country, enjoy snacks and beverages, and maybe join a card game or put together a puzzle. Our close friendship with Carl and Carolyn began in the hospitality room, most notably during the 2014 convention in Savannah GA.

Evenings are filled with food, music, dancing and even more social time.

We hope many of you join us for another memorable convention week!

*Bellaire MI, Bowling Green KY (\*4), Indianapolis IN, St. Cloud MN, Nashville TN, Colorado Springs CO, Tinley Park IL, Topeka KS, Savannah GA, Omaha NE, New Orleans LA, Denver CO, Cleveland OH, Atlantic City NJ, Joplin MO, Wisconsin Dells WI, → Syracuse NY*

# Letter from the Editor

First of all, hats off to Tom Faupel for the tremendous job he has done as the editor for many years. I can only hope to live up to his standard. As we begin a new year, I wanted to take a moment to share a few thoughts as I step into the role of editor.

At our November meeting, Kyle spoke candidly about something important: for this club to remain strong and viable, it must continue to be **inclusive, visible, and engaging to attract and retain new members**. That message stuck with me, especially as I've had the opportunity to look more closely at our membership history.

The chart on the next page tells an interesting and encouraging story. Over the years, the club has experienced natural ups and downs, periods of growth, and times of transition. That's normal for any organization that has been around as long as this one. What stands out most though, is the resilience of the club and the strong foundation that has carried it forward decade after decade.

As a newer member, I can honestly say I've been welcomed from day one. The camaraderie, knowledge, and genuine enthusiasm within this group are real, and they are not things you find everywhere. This club offers far more than great cars and great events. It gives back in meaningful ways, contributing tens of thousands of dollars to charities and local causes each year. That level of community involvement is something many car clubs never achieve or even attempt.

When you combine that history of giving, the passion of the members, and the excitement surrounding Corvettes, it's clear there is tremendous opportunity for our club's growth. I can assure you, there are many enthusiasts out there who would appreciate what this club offers once they know about it.

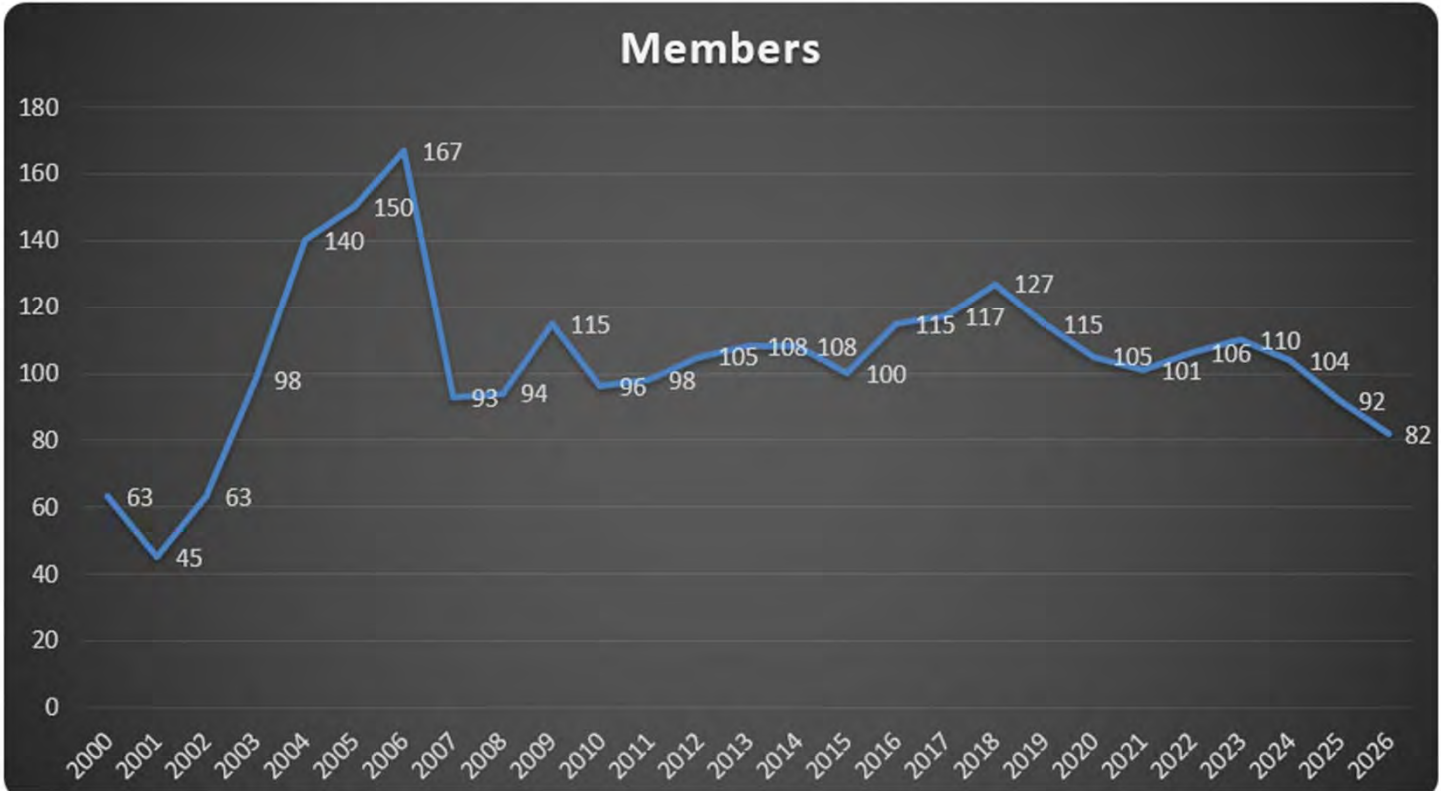

Lastly, I would like to say how grateful I am to be part of this group and to have the opportunity to help share its story. As editor, I'll do my part to highlight the people, events, and values that make this club special, and to support the mission of keeping it active, welcoming, and thriving.

Thank you for the warm welcome, and I look forward to a great year ahead.

Mike Saxton
