Dear Mr. Kuempel:

We would like to express our gratitude to you and all of the members of the Capital City Corvette Club, for naming the CACC scholarship after Colin J. Nethaway. This is an awesome honor. Colin from an early age showed a great interest in cars, and it truly was one of his passions. He was able to get into the automotive program at the Career Center and was doing well. Colin often talked to us about his desire to continue his education in the automotive field, and looked forward to college upon graduation.

During his first year at CACC, he was chosen to be one of the drivers for the drag race team. The car he drove was a corvette. We will always remember his smile and the excitement he exhibited that day. One of his dreams came true that day. We continue to struggle with his loss, but our pain is eased with the outpouring of compassion we have felt from the community. The honor you have bestowed upon Colin's memory helps us to heal, and is greatly appreciated. Words do not express gratitude.

Sincerely,

Kurt & Julie Nethaway
